

Together We Rise

Project „Together We Rise“

Feeling comfortable and advancing professionally: for "women of colour" and women with migration and refugee experience from the Rhine-Main Region

- Among other things you are confronted with **discrimination, difficulties with childcare and finding your way within the German society** and therefore cannot concentrate on applications and job search?
- You want to integrate into the German **labour market** and become **financially independent**?
- You will **first need basic confidence and wellbeing** to move forward with it?
- You are a **„woman of colour“** and you live in the **Rhein-Main-Region**?

In this case the „Together We Rise“ project is the right place for you!

Empowerment in the application process and exchange in a trusting environment

The goal is to empower you to take your application into your own hands: whether for internships, a job or education and training. We support you in integrating into the job market, appearing more self-confident and self-assured networking and being financially independent

The supporting pillar of the project is formed by the „Safe spaces“ – you will profit from this:

- **Safe space for exchange:** Here you can share your own experiences and obstacles – private as well as professional – share in a trusting environment
- **You meet regularly:** Every three weeks you can talk openly in a relaxed atmosphere about different topics that are dear to you (if possible: hybrid).
- **You're networking:** You will share your experiences with other participants and establish personal contact with each.
- **You will receive inspiring inputs:** Experts from the community will share their knowledge and experiences with
- **You will receive trainings:** You will recognize your own skills and we will support you in the application process.

The fee-free project runs from now until 31.12.2022. More information will be available soon at www.jumpp.de – Are you interested? The project manager is looking forward to hear from you! Contact: Aicha Bah-Diallo, E-Mail: Aicha.Bah-Diallo@jumpp.de, Tel.: 069 / 71 58 955 – 0

The „Together We Rise“ project is supported by the Bank of America.
